This review is for the paperback, international 10th edition of Advanced Engineering Mathematics by Erwin Kreyszig (ISBN 9788126554232). After review, this looks identical to the hardcover, US 10th edition, including problems. It's in black and white except for the blue outer cover, and in particular it's hard to see important equations that would stand out if this book were in color. A lot of ...
